

CSR Activities

- **Focus Areas:** In accordance with the requirements under the Companies Act, 2013, Pulse Pharmaceuticals CSR activities, amongst others, will focus on:
- **Education:** Promoting education, including special education and employment-enhancing vocational skills especially among children, women, elderly and the differently abled, and livelihood enhancement projects; monetary contributions to academic institutions for establishing endowment funds, chairs, laboratories, etc., with the objectives of assisting students in their studies.
- **Hunger, Poverty, Malnutrition, and Health:** eradicating hunger, poverty and malnutrition, promoting preventive health care and sanitation and making available safe drinking water.
- **Rural Development Projects:** Strengthening rural areas by improving accessibility, housing, drinking water, sanitation, power and livelihoods, thereby creating sustainable villages.
- **Environmental Sustainability:** ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water.
- **Prime Minister's National Relief Fund:** contribution to the Prime Minister's National Relief Fund or any other fund set up by the Central Government for socio-economic development and relief and welfare of the Scheduled Caste, the Scheduled Tribes, other backward classes, minorities and women.

UNDERTAKING OF CSR ACTIVITIES

Pulse Pharmaceuticals will undertake its CSR activities as approved by the CSR Committee

LOCATIONS FOR CSR ACTIVITIES

The CSR Committee will decide on the locations for CSR activities from time to time on need basis.

Goals:

Our goal includes the following:

Sl.No.	Goal Area	Action
1	Education	Pulse Pharmaceuticals will focus to provide a holistic and comprehensive care to persons with special needs with access to individualized education program, total health care, social exposure, job oriented training and viable job opportunities thereby economically empowering the disabled community and making them independent.
2	Hunger, Poverty and Malnutrition	Pulse Pharmaceuticals will work with various Non-Profit Organizations that run mid-day meal programs in schools across India.
3	Rural Development	Pulse Pharmaceuticals will partner with government and NGO's and support them in improving infrastructure such as constructing roads, providing drainage systems and electricity in rural areas.
4	Environmental Sustainability	Pulse Pharmaceuticals will focus on ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water.
5	Prime Minister's National Relief Fund	Pulse Pharmaceuticals will make best efforts to contribute to the Prime Minister's National Relief Fund or any other fund set up by the Central Government for socio-economic development and relief and welfare of the Scheduled Caste, the Scheduled Tribes, other backward classes, minorities and women.
